Attached for your review are two bills: S. 990 and H.R. 12210, both commonly known as "Physicians Pay" legislation, which you have previously reviewed and/or commented upon in one form or another.

S. 990 was reported out of the Senate Governmental Affairs Committee (H. Rept. No. 95-864) and passed the Senate on 25 May; on 31 May the bill was referred to the House Post Office and Civil Service Committee. The bill is currently pending before that Committee's Subcommittee on Compensation and Employee Benefits.

H.R. 12210 is a "clean bill" introduced 18 April, and represents a Subcommittee rework of H.R. 4620 and H.R. 1519. It, too, is pending before the Subcommittee. To date no Subcommittee action is scheduled for the near future.

Since you have reviewed S. 990 at one time or another, I would ask for your particular close scrutiny of H.R. 12210. I would also ask you to review S. 990 if you have not seen it in its reported form to date. While no action is presently scheduled on the bills, we are coming down to the last three months of the 95th Congress when the pace picks up measurably. I would therefore ask that any written comments you might have be submitted by COB Wednesday, 19 July. I will notify you immediately if the bills begin to move before then.
